

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF WEST VIRGINIA  
CHARLESTON DIVISION**

**In re: Cook Medical, Inc. Pelvic Repair  
System Products Liability Litigation**                    )     **MDL No. 2440**

---

THIS DOCUMENT RELATES TO ALL CASES LISTED  
ON EXHIBIT A

**PRETRIAL ORDER # 59  
(Docket Control Order for Remaining Cook MDL Cases)**

By Pretrial Order (“PTO”) # 19 entered on December 19, 2013, I ordered that the parties identify fifteen cases per side, for a total of thirty cases, to be included in a Discovery Pool wherein certain case specific discovery would be conducted. Pursuant to PTO # 19, from the group of thirty Discovery Pool cases, I would pick bellwether cases.<sup>1</sup> Following bellwether presentations, by PTO # 52 entered January 13, 2015, I chose four bellwether cases.<sup>2</sup> Those cases were: *Ailey v. Cook Inc., et al.*, 2:13-cv-18888 (defendant pick), *Lingo v. Cook Inc., et al.*, 2:13-cv-20359 (defendant pick), *Watkins v. Cook Inc., et al.*, 2:13-cv-20370 (plaintiff pick), and *Hovey v. Cook Inc., et al.*, 2:13-cv-18900 (plaintiff pick). The cases were set for trial in the spring and summer of 2015. Well before trial, all four cases were dismissed by the plaintiffs with prejudice. In addition, only six of the original thirty Discovery Pool cases remain pending; the other Discovery Pool cases were dismissed. In four of the remaining six Discovery Pool cases, Cook Inc., Cook Biotech, Inc. and Cook Medical, Inc. (collectively referred to as “Cook defendants”) moved for summary judgment based on lack of causation, and plaintiffs’ counsel have moved to withdraw as counsel. *See Christian, et al. v. Cook Inc., et al.*, 2:13-cv-20841;

---

<sup>1</sup> The PTO called for the selection of only three bellwethers, but following bellwether presentations, I determined that it was appropriate to choose a back up for the first bellwether.

<sup>2</sup> At the time there were approximately 150 cases in the Cook MDL.

*Calkins v. Cook Inc., et al.*, 2:13-cv-20348; *Demarcus v. Cook Inc., et al.*, 2:13-20350; and *Ward v. Cook Inc., et al.*, 2:13-cv-15879. I am in the process of ruling on those motions. Only two other cases remain in the Discovery Pool, *Gann v. Cook Inc.*, 2:13-cv-20698, and *Lyons, et al. v. Cook Inc., et al.*, 2:13-cv-21164.

As in the other MDLs assigned to me by the Judicial Panel on Multidistrict Litigation (“MDL Panel”), I am once again finding that the bellwether process is not effective in these MDLs related to pelvic mesh and, in the case of the Cook defendants, nonmesh treatment, of Pelvic Organ Prolapse (“POP”) and Stress Urinary Incontinence (“SUI”). While I had hoped that representative cases had been chosen in the bellwether process, without a trial of those cases because of their dismissal with prejudice by plaintiffs before trial, the parties have no opportunity to confirm that they were representative or determine potential values of these cases and the true cost of working them up for trial.

The better approach, which I have found effective in other MDLs, is to begin the work up of large numbers of cases in waves so that I can remand or transfer those cases back to their home districts for trial. Of the 381 cases remaining in the Cook MDL, there are 253 cases in which the Cook defendants are the only defendants named.<sup>3</sup> I find it appropriate and in keeping with my appointed task of managing this MDL effectively and efficiently, to designate for further work up, all of the remaining 253 cases wherein only the Cook defendants are named as defendants. I find this particularly necessary in light of the causation issues in this MDL.

Accordingly, it is **ORDERED** as follows:

---

<sup>3</sup> These numbers exclude the six cases left over in the Discovery Pool, which are cited above, *Christian, et al. v. Cook Inc., et al.*, 2:13-cv-20841; *Calkins v. Cook Inc., et al.*, 2:13-cv-20348; *Demarcus v. Cook Inc., et al.*, 2:13-20350; *Ward v. Cook Inc., et al.*, 2:13-cv-15879 *Gann v. Cook Inc.*, 2:13-cv-20698, and *Lyons, et al. v. Cook Inc., et al.*, 2:13-cv-21164.

**A. CONFIRMATION OF APPROPRIATENESS FOR INCLUSION IN THE COOK WAVE.**

1. The court has attached as Exhibit A, those cases subject to the instant PTO (hereinafter the “Cook Wave 1”). On or before **June 1, 2015**, the parties are directed to notify the court by filing a “Notice Complying with PTO # 59,” which identifies by name and case number, any cases on Exhibit A (1) that include defendants in addition to the Cook defendants; or (2) that are otherwise not appropriate for inclusion in the Cook Wave 1 because, for example, the case has been or will be dismissed. In addition, the parties should identify any cases in the Cook MDL that are not on Exhibit A, but name only the Cook defendants.

2. On or before **June 9, 2015**, the court will enter a PTO confirming the cases to be included in the Cook Wave 1.

**B. SCHEDULING DEADLINES.**

The following deadlines apply in the Cook Wave 1 cases:

Deadline for written discovery requests.	10/5/2015
Expert disclosure by party with burden of proof.	9/21/2015
Expert disclosure by opposing party.	10/19/2015
Expert disclosure for rebuttal purposes.	11/4/2015
Deposition deadline and close of discovery.	11/18/2015
Filing of dispositive and <i>Daubert</i> motions.	12/8/2015
Responses to dispositive and <i>Daubert</i> motions.	12/22/2015
Reply to response to dispositive and <i>Daubert</i> motions.	12/29/2015

The last date to complete depositions shall be the “discovery completion date” by which all discovery, including disclosures required by Federal Rule of Civil Procedure 26(a)(1), and

(2), but not disclosures required by Federal Rule of Civil Procedure 26(a)(3), shall be completed. Pursuant to Local Rule 26.1(c), the court adopts and approves the agreements of the parties with respect to limitations on discovery (numbers of interrogatories, requests for admissions, and depositions).

**C. MOTION PRACTICE.**

1. If discovery (e.g., the deposition of plaintiff and her implanting physician) reveals facts that could support a motion that would be dispositive of the *entirety* of a plaintiff's claims (e.g., causation, the statute of limitations), either party may seek the court's leave to file an early dispositive motion on that issue. If such leave is granted, the court shall set a briefing schedule at that time.

2. Hearing dates for dispositive and *Daubert* motions, if any, will be set at a future status conference.

3. The page limitations provided in Local Rule of Civil Procedure 7.1(a)(2) apply to memoranda in support of all dispositive and *Daubert* motions, oppositions, and replies, and the court will not be inclined to grant motions to exceed the page limit. The parties shall provide courtesy copies to the court in accordance with Local Civil Rule 7.1(a)(5), and requests that such courtesy copies include the header added upon filing.

4. In the past, the court has permitted parties to file placeholder exhibits in support of *Daubert*, dispositive and other motions, responses and replies in the place of confidential documents that may be sealed and then, within five days, redact/dedesignate the documents or file a motion to seal. *Moving forward, the court will no longer permit this practice. Parties may no longer file placeholder exhibits.* The court expects leadership counsel for plaintiffs and the Cook defendants to resolve issues related to confidential designations well before the filing

of motions. Filings containing placeholder exhibits will be struck. In the event there are issues related to sealing of confidential documents that the parties are unable to resolve, they must be brought to the court's attention in a consolidated manner as follows: A consolidated motion to seal is due on or before **October 19, 2015**, any response is due **November 5, 2015**, and any reply is due **November 12, 2015**.

5. The parties are reminded that they must file dispositive and *Daubert* motions, responses and replies in the applicable member cases only, not in the Cook MDL.

#### **D. CASES READY FOR TRANSFER, REMAND OR TRIAL**

1. By no later than **November 2, 2015**, the parties shall meet and confer concerning the appropriate venue for each of the cases, and the parties shall submit venue recommendations to the court, either jointly or separately, by **November 16, 2015**. The parties' recommendation(s) shall identify the cases about which the recommended venue is and is not in dispute. The court may then request briefing concerning the venue for those cases about which the parties disagree. Each party reserves the right to object to the venue selected by its adversary or the court.

2. At the conclusion of pre-trial proceedings, the court, pursuant to PTO # 13 and 28 U.S.C. § 1404(a), will transfer each directly-filed case to a federal district court of proper venue as defined in 28 U.S.C. § 1391. In the alternative, pursuant to PTO # 13 and 28 U.S.C. § 1407, cases that were transferred to this court by the MDL panel shall be remanded for further proceedings to the federal district court from which each such case was initially transferred.<sup>4</sup>

---

<sup>4</sup>As expressly contemplated by PTO # 13, the Cook defendants do not waive their right to seek transfer—pursuant to 28 U.S.C. § 1406(a) or any other available ground—of any case to a court of proper venue, regardless of whether that case was transferred to or directly-filed in the Southern District of West Virginia.

3. If a case is to be tried in the United States District Court for the Southern District of West Virginia (either by agreement of the parties or where venue in the Southern District is determined to be proper by the court), the case shall be deemed trial-ready when discovery is completed and the court rules on the parties' pretrial motions. The trial date for cases transferred or remanded to other federal district courts shall be set by the judge to whom the transferred or remanded case is assigned (including the undersigned through intercourt assignment).

The court **DIRECTS** the Clerk to file a copy of this order in 2:13-md-2440 and in the cases listed on Exhibit A. In cases subsequently filed in this district after 2:15-cv-05582, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action at the time of filing of the complaint. In cases subsequently removed or transferred to this court, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action upon removal or transfer. It shall be the responsibility of the parties to review and abide by all pretrial orders previously entered by the court. The orders may be accessed through the CM/ECF system or the court's website at [www.wvsd.uscourts.gov](http://www.wvsd.uscourts.gov).
